Hi Don,

Sorry for the slow turn around. I take off for a week and the city collapses. I did take a look at this and it does not appear to be out of the ordinary at this point nor, a lengthy delay. This was assigned to Tarik on the 19th and corrections were then issued on 12/23. The applicant picked up the plans on 12/26 and clearance is still pending. It just does not appear to be out of the ordinary nor particularly slow at this stage. If there is still a problem in a week or so please let me know and I can chime in.

Kind regards,

We have a Japanese Restaurant (Shogi's, I believe) that is trying to go into 8736 S. Sepulveda #C. He's called and asked if we can help get his Plan Check (#14016-10001-07912) speeded up. His Plan Checker is Tarik Saoud @ [213-482-0431](tel:213-482-0431).

Some of this may be fallout from the fire downtown.

Is there anything we can do to assist Shogi?
